ST. HYACINTHE—1875
DES PRESSES À POUVOIR DU "COURRIER DE ST. HYACINTHE."

AVERTISSEMENT.

Pour nous conformer au désir que l'on nous a exprimé en maintes circonstances, nous avons fait le Catalogue de tous les Élèves qui ont passé par le Collége de St. Hyacinthe, depuis l'année du premier cours régulier, en 1818. Ce Catalogue peut n'être pas tout-à-fait complet depuis 1818 jusqu'à 1832. Dans cet intervalle de temps, quelques cahiers ont disparu ; et nous avons été réduits à nous en rapporter aux souvenirs de quelques-uns de ceux qui ont commencé leur cours dans les années dont il n'est pas resté de liste. Cependant, vu leur bienveillance et les recherches qu'ils se sont imposées, nous présumons que nous n'avons pas omis plus qu'une vingtaine de noms; mais nous avons pu changer quelquefois l'année de l'entrée au Collége, défaut qui doit se rencontrer aussi en 1832-33-34, parceque les dates n'y sont pas bien précisées. A partir de 1832, nous croyons avoir inscrit les noms de tous les Élèves; toutefois, pour quelques-uns, nous n'avons pu trouver, soit le nom de baptême, soit la place où résidaient leurs parents.

Le nombre total de ceux dont les noms sont contenus dans ce catalogue, dépasse 3000.

Il aurait été intéressant de connaître le temps que chacun a passé au Collége, ainsi que la profession qu'il a embrassée; mais cela eût exigé un travail trop long et trop pénible, pour ne pas dire impossible. Nous nous sommes bornés à donner le nom de baptême, la date de l'entrée et la résidence des parents, et à indiquer par une croix † ceux qui se sont voués à l'état ecclésiastique, au nombre d'environ 250, parmi lesquels nous avons l'honneur de compter cinq Evêques.

NOMS DES ÉVÊQUES.

Mgr. Charles Larocque, Evêque de St. Hyacinthe, Chambly, 1821.

Mgr. Joseph Larocque, Evêque de Germanicopolis, Chambly, 1821.

Mgr. Alexandre Taché, Archevêque de St. Boniface, Boucherville, 1833.

Mgr. Peter McIntyre, Evêque de Charlottetown, Ile du Prince Edouard, 1836.

Mgr. Edouard Fabre, Evêque de Gratianopolis, Montréal, 1836.
